Hello Joe,

You are very welcome! It was a pleasure to meet with you and learn about your impressive program. We especially enjoyed seeing our old friends again – you definitely hired the very best! We look forward to reviewing your business proposal.

I hope the rest of your trip goes as well as our meeting yesterday.

(I am a closet New Mexico Lobos fan, by the way ... I guess I just "outed" myself!)

Best regards,  
Dianne

I just wanted to send a quick note and say thank you for your time today. We thought the discussion was very productive and helpful and provided us some good insight into the opportunity for DMVdesk in Wisconsin. Although Kelly and I are going to be battling Spring Break vacations over the next few weeks we should have the business plan completed and submitted to you shortly.

Thank you again and Go Badgers!

Kind regards,
